See your file 233018. Referring to this Office letter of the 11th May, 1899, inwhich reference was made to your files 233018 and 141376, I have the honour to enclose herewith a copy of a communication dated the 24th ultimo from Mrs. H. Regarding Mrs. Carr's eligibility to make homestead entry on her own account, I donot think that a farmer's son of eighteen should require to depend upon his mother for support.

The application to be noted that the land was made by Jos. Isaac of Chelsea but, as he could not be granted entry, he took all as found.

According to Mrs. Carr's declaration her husband, now deceased, made entry for the N.W.¼ of the section on the 24th June, 1897 with the understanding that if the reservation should be withdrawn on the N.E.¼ he would have the privilege of changing his

Memorandum.

Mr. Burley, in his report No. 81, states that he visited this land on the 1st of November, 1901, and found thereon Mrs. Charlotte E. Carr, widow of the late W. A. Carr, whose declaration he obtained.

An application to homestead this land was made by Jos. Fiske, of Okotoks, but, as he could not be located entry, he took other land.

According to Mrs. Carr's declaration her husband, now deceased, made entry for the North West quarter of this Section on the 24th of June, 1899, with the understanding that if the reservation should be withdrawn on the North East quarter, he would have the privilege of entering his homestead to the latter quarter-section, or a portion of it that would give him the privilege of a water right as mentioned in a letter of the 31st of October, 1899, from the Superintendent of Mines to the Agent of Dominion Lands at Calgary; that the buildings were put on the North East Quarter by her husband about the Spring of 1900, and she understands his residence was continuous until the date of his death, the 7th of April, 1900, and that she has been in residence since the 23rd of June, 1900, when she arrived in the West; that she has a house 14 X 16 and 12 X 12, with corrals and stable, all valued at about $100.00, and fencing;

ing valued at $75.00; and that she has three horses and 52 cattle.

In a report, dated the 7th of September, 1896, by Mr. Wm. Pearce he makes the following statement:-

"One H. A. Carr has homestead entry for North "West quarter of Section 32, Township 19, Range 1, West of "the 5th Meridian, and if any portion of the Stock Watering "Reservation on the North East quarter of said Section "would be done away with, he should be granted entry to "same and his present entry or portion thereof cancelled."

The letter of the 31st of October, 1896, from Mr. Pearce to the Agent of Dominion Lands, Calgary, referred to by Mrs. Carr, calls attention to this report and instructs that a note should be made so that Carr should be advised if the North West quarter was opened at any time.

This case was submitted to the Commissioner on the 14th of July, 1901, in connection with an application of the 24th of June, 1901, from Mrs. Carr, forwarded by the Agent at Dominion Lands, Calgary, and he endorsed the following note:-

"No action until report from Mr. Pearce is re- "ceived. If reserve eliminated, the change may be made."

This land was reserved by Order in Council of the 23rd of January, 1896, which is previous to the time when Mr. Carr made entry for the North West quarter, but I presume it has already been decided that Mrs. Carr, as the representative of her deceased husband, is to have her entry transferred to the North East quarter.

Dear Sir:- -re N.W.1/4- 2- 9- 2- W.of 5-

I have today made application to purchase the above described quarter section of land, the reason being that this quarter section, from its situation, is absolutely necessary to me for the successful pursuance of my business as a breeder of thorough-bred cattle.

This quarter section adjoins land now owned by me and from its situation is useless to any proposed homesteader, but is most useful and essential to me ~~to me~~ adjoining my property as it does. It is only good for pasture and is not suitable for farming from the fact that it is impossible to cultivate it owing to its stony and hilly nature.

Yours truly.

Memorandum.

Mr. Joseph McFarland made application in July, 1901, to purchase the N. W. ¼ of 2--[illegible]--2, W. 5th, which he stated adjoined his property and was necessary to him for the successful pursuance of his business as a breeder of thoroughbred cattle. As, however, there was a prior application from Mr. F. Stockpole to purchase the land for coal mining purposes, the Agent was told that in the meantime no action would be taken with respect to Mr. McFarland's application.

The Agent now submits a letter from Mr. McFarland dated the 6th August last, in which the latter renews his application to purchase the land, which he says is quite essential to him, as it is the only quarter-section adjoining him and "makes a jog in his property." He states also that the quarter-section is unfit for cultivation and is only suitable for grazing.

Messrs. [illegible] Bain, Fraser & [illegible] acted (File 433,923 T&M) that the application made by them on behalf of Mr. Stockpole to purchase the land be cancelled; and it is now pending in the records of the Department. There is an application for a grazing lease of the quarter-section from a Mr. G. G. [illegible].

The land applied for is shown on the sketch hereunder.

In the matter of the West half Quarter of Section Six (6), Township Fifty-six (56), Range Two (2), West of the Fifth Meridian, and the homestead entry of John W. Johnston.

I, Benjamin Pollard,

of the Town

of [illegible], **in the**

~~County of~~ Province of Alberta,

DO SOLEMNLY DECLARE that

1. That on the first day of June, 1906, I purchased from John W. Johnston, of Fort Saskatchewan, his said land, I have resided upon said land since about the 1st day of June, 1906, and have cultivated same.

2. That I have not received any consideration for an entry for the said land.

3. That I cautioned John W. Johnston to take $85.00 no with him to the Land Office to cover the cost of Improvements on said land.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act, 1893."

Declared before me at Fort Saskatchewan,

of the Province of Alberta, **in the County of**

this 28

day of August, **A.D.** 1906.

Benjamin Pollard

A Commissioner for Oaths

this happened outside the Agent's jurisdiction, he had no alternative but to grant entry to the man who appeared first in the offices and claimed the right to the land.

I, therefore, consider that Johnston's entry should stand.

Regarding the letter of Messrs. Robertson, Dickson & MacDonald asking that the entry of Newton, the former homestead- er, be restored, I would say that the cancellation was amply justified by the facts.

Newton applied for patent, but the evidence showed he had not completed the duties; and on the 25th of January, 1904, he was told to break another six acres, and crop the 13 acres already broken, and then execute a supplementary statement. This he did not do.

On the 23rd of December, 1908, the Inspector reported "Not in residence"; lived one year on homestead, also sometime with father in the vicinity.

Improvements: log house,.....$90.00,
log stable, no value.
3/4 mile fencing,.... 30.00.
The homestead is in the State since the spring of 1902 (none broken - never cultivated.

Confirm Johnston's entry and advise Newton of cancellation. J.D.M. 21/9/09

It was then decided by Mr. Sharpe to take cancellation proceedings, and cancellation was carried out by the Agent on the 12th of May, 1909.

The representations of Robertson, Dickson & MacDonald do not appear to change the situation.

Respectfully submitted,

J. Fitz Roy Dixon

MEMORANDUM:-

This is a complaint that J. Fordham was wrongfully deprived of the right to homestead the North East 1/4 of Section 6, Township 56, Range 21, West of the 4th Meridian.

It appears that Fordham waited at the outer-door of the Edmonton Land Office from 10 P.M., the previous evening, intending to be first when the office opened the next day.

At 4 A.M., one Gus.Doze arrived on the scene, and before 6.30 J.W. Johnston joined them.

At 6.30 A.M., the outer door was opened, and they all entered in the order of their arrival; but Johnston seized the position at the inner door, so that when the Agent opened it he got in the first, and was granted entry for the 1/4 section.

Inspector Martin enquired into the matter, and reports that Johnston took advantage of the fact that the other two men "relaxed their positions", and so got to the inner door, and afterwards into the office ahead of them. Mr. Martin considers that Johnston's action was justifiable. No doubt, he played a sharp trick; but as this

Deputy Minister,
Department of the Interior,

(16) Answer:- On October 27th 1911 my team ran away throwing my wife out of the Wagon injuring her internally from which she has not yet entirely recovered.

Lack of means has been the sole reason why I have not made further improvements to my Homestead, such as Breaking and Cropping.

When I obtained Entry to my Homestead (after paying for improvements and filing fees) I had very little means left with which to begin farming, nevertheless I immediately, with my family, moved onto Homestead and have endeavored in every way to make improvements and purchase stock with which to work the land In the Fall of 1909 I purchased 1 horse in 1911 I purchased the 2nd horse and 1 Cow By the Spring of 1913 I expect to have another horse as it is impossible to Break land with less than 3 horses

I also have 1 Plow - 1 Harrow - 1 Mower - 1 Wagon - Etc

I had the misfortune some 20 years ago to lose 3 fingers off my left hand which disables me from performing many kinds of labour, therefore it has been necessary for me to employ a man on the farm which I have been able to do by working at my trade as stated herein.

I have no means to live on, and improve my Homestead other than that which I earn from time to time at my trade

This year I have about 1 acre of Potatoes and 4 acres of Oats.

Dear Sir:

In 1921 we communicated with you with respect to a refund to Mr. Newton in respect of improvements made by him while he held the above land under homestead entry. We had considerable correspondence with the district and it was some time before we received statements from them and the matter entirely escaped our attention. We enclose herewith declaration of Joseph Chabot as to the identity of J. F. Newton and also a declaration of J.F.Newton which we trust will be sufficient application for a refund. We also enclose a statement from the Secretary of the School District and from the Secretary of the Municipality within which the above land is situate. Will you kindly give this matter your consideration and advise us if under the circumstances there will be anything payable to Mr. Newton.

Yours truly.

Gentlemen,

Re N.E.¼ 6-56-21, W.4th M.

I beg to acknowledge the receipt of your communication of the 21st ultimo enclosing letters from the Secretary-Treasurers of the School and Municipal Districts, together with declarations executed by Joseph Chabot and Charles F. Newton with reference to Mr. Newton's request for a refund of the amount collected for the improvements left by him on this quarter-section.

According to the statement of the Secretary-Treasurer of the School District there appears to have been taxes owing against this land amounting to $52.00 when Mr.Newton's entry was cancelled and these taxes were apparently cancelled by the School District.

There is $75.00 available in the Department and Mr.Newton should furnish this office with a receipt showing that all taxes levied against the land while he held entry have been paid or, if there are any taxes outstanding and the Secretary-Treasurer of the School District will furnish a statement of the same the Department will apply the amount collected for the improvements in liquidation of the taxes and if there is any balance left, it will be refunded to Mr.Newton.

Sir,

Re N.E.¼ 6-56-21, W.4th M.
Former homestead - Charles F. Newton.

I beg to inform you that the Department has under consideration the application of Charles F. Newton for a refund of $73.00 in compensation for improvements on his former homestead, and in this connection to say Messrs. Young and Bisset, Barristers of Edmonton, acting for Mr. Newton, have been informed that the matter would be given further consideration on receipt of evidence of payment of taxes during the period that Mr. Newton held entry, namely, between the 8th April, 1899, and the 12th May, 1909.

Information has been furnished by the Secretary-Treasurer of Municipal District of Clover Bar, No.217, to the effect that all municipal taxes have been paid. With regard to school taxes, Mr. [illegible]very, Secretary-Treasurer of Bolton School District, No. 1099, stated in a letter of the 2nd January, 1922, that the school taxes had been cancelled following cancellation of the entry of Mr. Newton but that taxes levied for the years 1908 to 1909, both inclusive, amounted to $52.00. The Department accordingly took the position that it would be necessary to have further evidence as to Mr. Newton's liability for school taxes, and Messrs. Young and Bisset were advised accordingly in January last, but they would appear to have been unsuccessful in establishing communication with the necessary authorities or receiving any reply in response to their inquiries.

Would you be good enough, under the circumstances, to look into the matter and advise the Department definitely whether Mr. Newton is liable to school taxes under the Statutes in view of the previous action of the School Board in cancelling the indebtedness, and if not, furnish a statement of the amount for which Mr. Newton is liable during the years mentioned.

Secretary.

I am to acknowledge your letter of the 15th February last, enclosing exchange of correspondence with Mr. Emil Henkelman of Bruderheim, Alberta, Secretary-Treasurer of Bolton School District No. 1099, in reference to the question of taxes for which Charles F. Newton may be held liable in connection with his former homestead entry for the quarter-section above mentioned, and in reply to say the Department must have a definite statement from you before further considering the application for a refund of the value of the improvements on this land.

It is observed from your letter of the 23rd December last to Mr. Henkelman that your Department takes the position that it might be advisable, under all the circumstances of the case, for the School District to wipe off the indebtedness. To this proposal, however, there would appear to have been no response to date.

Mr. Newton, through his solicitors, is pressing for a refund and in view of the regrettable delay in bringing this matter to a conclusion you may be disposed to formally notify the Department of the cancellation of the indebtedness in so far as the Department of Education is concerned. A letter to this effect would serve the purpose of this Department.

Dear Sirs: Re N.E.¼ 6-56-21-4 Chas.F.Newton

With reference to yours of February 21st herein we took this matter up with the Department of Education and the Chief Clerk has intimated to us that he is powerless to do anything in the matter and has intimated to us that he is powerless to no control over the School Districts. We have been unable to get any reply from the School District. We quite understand the reason of your rule requiring a statement as to taxes charged against the holder of a homestead entry before receiving payment of any moneys paid in by a subsequent entrant but in this particular case, as we have pointed out to the various parties concerned, Mr. Newton left the Province about 1904 or 1905 and never returned to it to reside and has, as a matter of fact, only been in the Province once since that time. And Mr. Newton subsequently acquired title to the land for the period 1905 to 1909 inclusive but he did not acquire we can quite understand why he should have to pay the taxes title we scarcely see how any tax against him personally can be justified when he was not in the province and the land itself could not be taxed by reason of it being dominion lands.

We will have to leave the matter wholly to your judgment as we have done our utmost to get a reply from the School District and we are informed that the Department of Education has also made suggestions none of which seems to have been adopted by the District.

Yours truly,

Mr. Hume.

Re N.E.¼ 6-56-21, W.4th M.
Patented homestead - John W. Johnston.

Former homestead - Charles F. Newton.

The question in this case is whether the Department should now proceed to deal with the application of Charles F. Newton for a refund of $75.00 collected for improvements on his former homestead.

According to advice from the Secretary-Treasurer of the Municipal District of Clover Bar, No. 917, Mr. Newton is not indebted for municipal taxes. However, with regard to school taxes, Mr. D. Avery, Secretary-Treasurer of Bolton School District, No. 1099, on the 2nd January, 1913, wrote Messrs. Young and Bisset, Barristers of Edmonton, Solicitors for Mr. Newton, in the following terms:-

"I enclose herewith statement of arrears of taxes against
"N.E.¼ 6-56-21-4, which was cancelled at the time the land
"went back to the Crown, but when you wrote me first I gave
"you an account of the taxes as they stood at the time of
"cancellation.
"
"
"Taxes levied in the following years -
"1905 $ 8.80
"1906 14.40
"1907 9.60
"1908 9.60
"1909 9.60
" $ 52.00
"Which was cancelled at the time the N.E.¼ 6-56-21-4 went
"back to the Crown.
"P.S. - I cannot send you official receipt as it would show
"on the books as received and that would not do when I went to
"auditor."

In forwarding the foregoing communication to the Department, Messrs. Young and Bisset requested consideration of their client for a refund. However, on the 9th January, 1926, the firm was informed that the Department would require evidence of payment of school taxes before the matter was proceeded with.

Some doubt arose as to the liability of Mr. Newton for school taxes in view of the statement of the Secretary-Treasurer of the School District that the said taxes had been cancelled. Messrs. Young and Bisset have done their best to obtain a definite statement from the School District but without avail. The Department took the matter up with the

Deraty

Deputy Minister of Education at Edmonton and they have repudiated responsibility. Nevertheless, his Department took the matter up with the School District and on the 15th December, 1926, Emil Henkelman of Bruderheim, Alberta, wrote the Department of Education as follows:-

"In regards of Mr. Newton, I can find no trace were the
"Board at the time being cancelled the taxes and as being
"a new Secretary at the district called a meeting on the
"14th to discuss the matter and none of the new Board of
"this district know anything about this matter and we
"come to the conclusion to leave to you to do the best that
"is for this district."

Whereas the School District, according to the advice of Mr. Avery, former Secretary-Treasurer, appears to have cancelled the school taxes assessed against the interest of Charles E. Newton in the quarter-section, and whereas the present School Board appears to be unwilling to take any definite action in the matter, being possibly in doubt as to their legal rights herein, it appears to be that the Department might properly take the view that Mr. Newton is not, in view of the action of the School District, liable for payment of the school taxes amounting to $[illegible]. If you agree, the application of Mr. Newton for a refund might be proceeded with.

I am in receipt of your favour of the 24th instant in which you state that an application with the permission of the leaseholder in question, has been made to homestead the S.E. of Sec.14 - 7 - 2 west of the 5th meridian and that the applicant states that the same is not required for stockwatering purposes. In reply, I beg to inform you that the land in question was reported upon by the Homestead Inspector last year and recommended for reservation and was included in the last list forwarded to the Department. I may further state, that the water-way corrals and watering grounds of that district are situated on the west half of Sec.11 and partly on the S.E. of S.C.14 and it would materially interfere with the watering of stock if entry were granted for: that, there are a large number of valuable mines scattered over the S.E. of this section that it is highly important should be reserved from settlement.

There is no provision in the Dominion Lands Act that the Department can take proceedings to recover from their grantee. If you desire to protect your claim, you will have to commence proceedings. Sir,-

N.½ of Sec. 6, Tp. 53, Rge. 1, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter Section above described, and provided it is the only land for which you have obtained homestead [illegible], you are entitled to another homestead, and the application and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for allowing you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

I beg to acknowledge the receipt of your letter of the 27th ultimo, forwarding here Mr. [illegible] McCune's Certificate of Naturalization as a British subject in connection with Mr. [illegible] H. McCune's application for patent for the North East ¼ of Section 20, Township 37, Range 28, West 4th Meridian. I am to point out that the Certificate of Naturalization in question is dated the 18th April, 1910, at which time the present applicant was 24 years of age and consequently he will not be able to avail himself of the naturalization of his father. He will have to take out his own naturalization papers before anything further will be done in connection with his application for patent and you will be good enough to communicate with him accordingly. You will probably receive a separate communication dealing with the manner in which the father became a re-patriated British subject.

Dear Sir:-

I notice that there is a cancellation up for the S. E. 1/4 Sec. 18, R. 28, W. of the 4th Med., belonging to E. G. Spencer who is at present away in England. I mailed a form to the Minister of the Interior that was filled out by the said E. G. Spencer for an extension of time but have heard nothing further about it. Mr. Spencer wishes to keep his homestead if possible. Would you kindly inform me if it can be done as I am acting in a measure for him.

Mr. Cockburn, the Oakleigh Bros. and Spencer have got the section homesteaded and have bought a considerable quantity of land around it, and have about three hundred of cattle and a lot of horses, and he says it would greatly interfere with their arrangements if the above mentioned homestead was cancelled and taken by anyone else.

Sir,

See your File 6411203, I have the honor to inform you that considerable correspondence has been going on between this office and Mrs. Annie Sagg Tribe of Olds., relative to an application which she claims to have made on behalf of her son R.S. Tribe for the S. E. 1/4 of 18--30--28 West 4th., but which does not appear to have been ever received at this office. I enclose herewith a Declaration by Mrs. Tribe to the effect that in December 1902 she requested Mr. Logan, who was then Sub-Agent at Olds to submit her application on behalf of her son, and that Mr. Logan informed her that he could not do so; that Mr. J. Logan stating that the contents of Mrs. Tribe's declarationas to her application having been written by Mr. J. I. Davis is correct but that he cannot state how she afterwards disposed of the letter. On the 10th inst. this office forwarded to the Department a Declaration of Abandonment by Mr. A. Cloake of Olds in connection with the S. Calgary, Oct. 5th, 1905

Sir:-

Referring to your communication of the 28th ultimo file 79541A-644123, addressed to J. A. Becker, Calgary, I have the honor to inform you that on the 17th of September, 1903, Mrs Thomas Tribe applied for the S. E. ¼ of Section 18, Township 32, Range 28, west fourth Meridian on behalf of Richard Tribe and was in continuous correspondence with this office in connection with the land in question, until he was granted entry for the land. Mr. Becker apparently wrote Head Office on the 3rd of August, 1904, of which this office received notice on the 23 idem. Russell Frazer wrote Head Office on the 12th of July, 1905, and this office received notice of his application on the 31st idem. Under the circumstances I do not see what injustice has been done to Mr. Frazer.

I have the honor to be, Sir,

Your obedient servant,

In reply to your letter of the 30th ult. I am to inform you that there seems to have been some misapprehension with respect to the homestead entry granted to your son, George S. Tribe for the South East ¼, Section 18, Township 19, Range 28, West fourth Meridian, but the facts have now been explained, and it would seem that there is no reason for disturbing the entry. Our File 178.

In reply to your letter of the 7th instant enclosing a Dominion Inspector's report on the above land, I am to point out that according to the records here this quarter-section is available land.

The land was formerly occupied with the Lone Tree Soldier Settlement Reserve, but the cancellation of the 17th of June, 1907, was the effect of dividing lands at Lethbridge and applied to this effect on the 20th of June, 1910.

As a Dominion Inspector's report showed that there were no improvements on the quarter-section, and that the soldier had moved to another locality, cancellation proceedings were initiated which are ready to be dealt with as soon as the Director of Lands, Edmonton, is ready to proceed with the case.

I beg to acknowledge the receipt of your communication of the 16th ultimo, and in reply I am to state that, as you already hold a Soldier Grant, viz, the N.E. ¼ 19-19-7-W. 4th M., your case is not covered by the Order-in-Council dated January 14th, 1931, and it will, therefore, not be possible to allow you to convert your purchased homestead into a Soldier Grant and be refunded the monies paid by you on account of the purchase price.

I am also to state that, under date of the 13th ultimo, the Chairman, Soldier Settlement Board advised that you had requested that title for your purchased homestead be issued in the name of the Soldier Settlement Board. This information has been passed on to this Department from the said Board, and the matter of issuing patent in the name of the Soldier Settlement Board is now receiving attention.

The Soldier Settlement Board,
Ottawa. Ref.-3-1266.

Ottawa, June 4th, 1931.

Sir,

Re S.E.½ 20-19-8-4th

I have your letter of the 15th ult. last in reference to your desire to convert your purchased homestead into a soldier grant and thereby qualify for a refund of the purchase price under the provisions of the Order in Council of the 14th January, 1931, P.C.2333.

I may say, in reply, that there is no record here of your having abandoned your soldier grant entry for the S.E.¼ 19-19-7-4th mer., and under the circumstances, you should take the matter up with the Provincial Land Agent at Lethbridge and on receipt of advice that your entry for the land in question has been cancelled you will be further advised.

Your obedient servant,

Deputy Commissioner of Dominion Lands.

Memorandum: Mr.Hume.

Re S.E.¼ 20-19-8-W.4th M.

I beg to submit for consideration the application of George Tribe of Jenner, Alberta, to convert his purchased homestead into a soldier grant and thereby qualify for a refund of the purchase price of $512.16 under the provisions of the Order-in-Council of the 14th January, 1931, P.C.2329.

It may be stated that Mr.Tribe made a successful application for patent for his purchased homestead on the 7th August, 1918, and on the 5th May last the Minister signed an Order vesting the entrant's right, title and interest in the land in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, P.C.1821, but patent has not yet been issued, and action will therefore be delayed until the present matter is disposed of.

I may add that Mr.Tribe obtained entry for the N.E.¼ 19-19-7-W.4th Mer., as a soldier grant on the 28th May, 1921, under Certificate of Attestation No.2219 on file No. 3895933. Mr.Tribe executed a declaration of abandonment of the entry in question on the 31st October, 1925, but in view of the fact that the charge had been created under the Soldier Settlement Act, the Department was precluded from taking any action thereon. However, the Soldier Settlement Board withdrew the charge on the 17th June, 1930, and cancellation proceedings were instituted on behalf of the Department on the 26th August, 1930, for failure on the part of Mr.Tribe to complete the duties and make application for patent, and, pursuant to the transfer of the Natural Resources on the 1st October last, the Provincial Land Agent at Lethbridge carried out cancellation on the 11th June, 1931, which action has been noted in the records of the Department.

According to evidence submitted, Mr.Tribe completed the requisite settlement duties for the earning of patent prior to his enlistment, and under the circumstances his application for a conversion of entry is submitted for approval.

Mr.Tribe is not indebted to the Department for seed grain, fodder or other relief.

Re S.E.¼ 20-19-8-W.4th M.

I have your letter of the 2nd instant with further reference to previous correspondence in the matter of your desire to be permitted to convert your purchased homestead into a soldier grant and thereby qualify for a refund of the purchase price of $217.15 under the provisions of the Order-in-Council of the 14th January, 1931, P.C.#329.

I may say, in reply, that advice having been received from the Provincial authorities to the effect that your soldier grant entry for the S.E.¼ 19-19-7-W.4th Mer., was cancelled on the 11th June last, it has been decided to grant your request, and your purchased homestead is hereby converted into a soldier grant under the authority of Certificate of Attestation No. 2219, which is now on file.

Issue of patent for the land will now be proceeded with in favour of the Soldier Settlement Board under the provisions of the Order-in-Council of the 4th June, 1931, P.C.1032. With regard to your application for a refund of the principal and interest paid on account of your purchased homestead as aforesaid, I may say the Director of Soldier Settlement is being requested by means of a copy of this letter to advise the Department whether there is any objection to this refund being made to you direct in view of your indebtedness under the Soldier Settlement Act.

Dear Sir. In behalf of myself and Bro. C. S. Moir & J. L. Moir I am replying to yours of Dec 5th (44121) We have always thought that we had 160 acres fenced as it required to inclose the Section with one fence for many purposes and using the entire Section for pasturage in the winter and for cutting hay in the summer Mr. J. B. Wright is on the S. E. ¼ of the section and was glad to have the section fenced in one field, as we always considered our Homesteads fenced. Of course I do not know if the Law requires more fencing or not. Will such fence answer or will we have to enclose 80 acres by itself to comply with the law? We wish to know this in order to make our statement in a clear manner

Dear Sirs:-

Re: R. C. Parker's Homestead

Under date of the 14th instant we applied to the Land Recorders Office, Red Deer, Alberta for certain information re the above mentioned homestead and we are referred to you by the North Alberta Land Registration District, Edmonton Alberta, Mr. J. W. Thom, registrar, for the information required.

The above mentioned Parker stated that he settled on his homestead in 1908 and proved up in 1913, that he sold the homestead in 1914 or 1915 to A. [illegible] Thaller and further stated that the homestead was located on the South side of the Red Deer River. He has however, lost the full description and can only state that it was the South East quarter of Section 6, Township [illegible] of the description he forgets and has lost all his documents. He states that the Township is either 37 or 38.

Is it possible for you to give us the complete correct description of this quarter? Your assistance in this matter would be greatly appreciated.

Yours truly,

REPORT ON STOCKWATERING RESERVE. 4150041

DATE OF INSPECTION : Sept.20th,1918.

Location: Sec.24-14-5-4th, East of S.Saskatchewan river.

Water supply: 1.South Saskatchewan river-perennial.
2.Spring creeks in coulees leading down to the S.Saskatchewan river-intermittent.

Accessibility of reserve:

The reserve is accessible on north, south and east, but fenced along the road allowance on the west to as far as the South Saskatchewan river.

Accessibility of water:

The water of theS.Saskatchewan is accessible at places,especially near the road allowance on the west and at the mouth of the coulee near the south line of the section. There are places, however, where the steep cut banks run sheer into the river, and here the water is not accessible.

Quality of land:

There is scant grazing on the sides of some of the coulees, while others are too steep for vegetation to grow. Towards the river some of the coulees develop into canons with precipitous sides 50 to 100 feet in height. The tops are covered with a fair growth of short prairie grass, but these areas are too limited in extent to be of any use for anything excepting grazing.

Surrounding country:

~~There is scant grazing~~
This reserve forms a part of the steep slopes running down to the S.Saskatchewan river. The land to the north, south and east also form a part of the slope. Two or three miles to the east is a fairly well settled prairie country mostly fenced and farmed. The settlers depend upon the coulees leading down to the Saskatchewan river as trails for their cattle when the water of the river is needed for stock watering in years of drought or in winter. The deep coulees and canons also afford shelter and protection in winter time for their cattle.

General: The land is no good for farming and on account of the convenience to nearby settlers as cattle shelter, water and trails to the river, it would not be to the public interest to lease the land for grazing.

Recommendations:

That this reserve be maintained as such.

Accompanying sketch: Approximately correct.

RE: Sec. 24-14-5-4. (a stock-watering reserve).

This land was inspected by one of our engineers in connection with the investigation of the water supply problem in this section and I am sending you, herewith, a copy of the report. This site is required in this connection and the interests of the Reclamation Service will be amply protected as long as the existing stock-watering reservation is maintained.

You will observe from the report that the land is entirely unfit for cultivation on account of its broken nature.

I am attaching four red sheets containing full information of the inspection and I shall be glad if you will have these attached to the land files affec

James A. Smart Esq.,

Deputy Minister of the Interior,

Ottawa,-

Dear Sir:-

Mr. John H. Parks of this City has written you on behalf of his son, who is located in Alberta, in the Northwest Territories. He has been living there for four years, and starting in a small way in the raising of cattle, has now got a herd of about a hundred head. He is desirous of making a home there, and is anxious to homestead the Northeast quarter of Section 6, in Township 12, West of the 4th Meridian. It appears that he made an Application to the Land Agent in his District, and it has not been granted, for the alleged reason that an Application had been made to lease it. Mr.Parks feels that as he has made his home there, and is devoting his time and energies toward improving his position as a permanent settler in the County, his Application ought to be granted. I shall esteem it a personal favour if you will direct the Agent in the District to receive his Homestead Application and to have the necessary entry made.

Yours very truly,

Sir,

I am directed to acknowledge the receipt of your letter of the 3 inst.,enclosing the sum of $3.20 on account of the first year's rent for a grazing lease of the S.W. ¼ of Section 29, Tp 29, Range 1, W. 4th M., for which a receipt has already been sent to you, and asking if this sum of $3.20 which stands to your credit in the Department is to be applied in payment of the balance of the year's rental.

Midnapore, January 18th 1902.

To James Smart, Esq.,
Deputy Minister,
of the Interior,
Ottawa, Can.

Dear Sir :-

We the undersigned owners and occupants of lands in Township 22, in range One, West of the 5th Meridian and of Townships neighboring thereto beg respectfully to bring to your attention certain facts in connection with Section 29 in the said Township and with the lease thereof granted, as we understand, to one Peter P. Cleland. These facts are as follows :-

1. The said section 29 has a good flowing supply of water upon it and it is the only spring or source of water surply existing in the neighborhood for a number of miles around

2. The said section is now the only unappropriated section of land in the township and is required by all the neighboring farmers for grazing purposes.

3. The road allowance on the east side of the said section runs through an enormous slough and there has been for a long number of years a trail directly across the said section leading to the main Macleod trail which has been used by all the undersigned as a main trail to the City of Calgary, or for going in the opposite direction.

4. By the fencing up of the said section by the lessee this trail has become impassable and many of us have been obliged to pass through the private property of the owners of section 28 adjacent thereto, but this is only by permission of the owners and this permission may at any time be withdrawn.

5. No sufficient notice of the application for a lease was ever given to the people of the neighborhood inasmuch as it was posted up nowhere, except in the private sitting room of the Post-master at Midnapore and not in that portion of his house which is open to the public as the post-office room.

We therefore pray to petition the Department to cancel the lease referred to and to leave the section open for the use of the general public by whom it is most urgently required.

And your petitioners will ever pray.

Dear Sir :- re 29.22.I, West 5th.

Enclosed please find a petition verified by the Statutory Declaration of Joseph Cherry and Thomas Hollinshead praying that the lease of the above school section to Peter P. Cleveland be cancelled.

The facts set out in the petition can be verified by several other witnesses if it were necessary. We heard a number of the ratepayers of the district complaining of the way notices were secreted in the private sitting room of Mr. C.W. Shaw of Hidmarche post office before thepetition was thought of, particularly the notices of this school section.

The petition contains nearly every settler if not every settler but Cleveland in the immediate neighborhood and we think this is a case where the Department would do well to interfere and cancel the lease.

Yours respectfully,

Referring to our letter of the 30th ult. in which we beg now to enclose a further statutory declaration by James Braden respecting the posting of notices.

Of course, the Department is not legally bound to issue these notices but, no doubt, it is a safeguard against the improper issue of a license, and whether or not we shall properly cancel the license under the conditions, is a matter for your ruling.

Dear Sir:

I beg to enclose for your information, a letter which I have received from a prominent law firm in Calgary supporting a petition for the revocation of a lease of 29-22-1-5 granted P. B. Cleland. While I fully appreciate the difficulty and disadvantage of revoking a grant of any kind, the notice provided under the regulations is so inadequate that it leaves every opportunity on the side of the grafter who wishes to get unfairly ahead of his neighbors.

A number of cases of improper posting of the notices have come to me here. There should be no attempt at protecting the public interest by publicity, or publicity should be insured.

Kindly return the enclosed letter after perusal and let me know if you can do anything in the matter.

Gentlemen,

Referring to your letter of the 14th instant in regard to the lease granted to Mr. W. D. Cleland of Section 22, Township 22, Range I west of the 5th meridian, I beg to say that in view of the report of Dominion Inspector Stuart, Mr. Cleland was advised on the 10th instant that the lease issued in his favour for this Section must be cancelled, unless he agreed to allow the public free access to the road through this Section, as the fencing in of the road appears to be the chief ground of complaint.

690140 Dear Sir

Yours of the 10th inst duly received & in reference to the protest for cancellation of lease of section 29.22.1.5th about closing the road when I made application for lease of this I told you about this trail through this land & you paid no attention to it I also spoke to the Dom. Land agent in Calgary about it he told me I had a perfect right to close trail as long as it was not a road allowance & to forbid any person from using it when I fenced the place I put gates on the publics would have the gates open & my stock would get out & they gave me a good deal of trouble they seemed to think I had no right to fence this land & they had no right to close the gates after them then I put locks in them The trail across this place this summer is impassable for a slough that runs through owing to the heavy rains & springs breaking out I had two teams of horses & scrapers & three men working two days & put in two culverts brush & dirt to make a road passable for myself I took the locks off sometime ago of the gates so the public so the public could go through if the desired The trail through this land is of no use to the public as other lands that this trail runs through is bought up & fenced up this spring In reference to the posting of application at Post Office the P.O. here is a Farm house they could not post the application outside of house as wind & weather would tear them down & out of all the signatures on the petition their is only three or four of them that take their mail at midnapore they get it at Calgary therefore

it is impossible for them to see the application when they will go past an office at the door & fifteen miles away to get their mail & those same people if there was no Post office would be creating a great howl against the Government about a Post office for having to travel fifteen miles to get their mail
I just show what kind people they are who fixed their signatures to the petition The trouble is not over a road through this place or the posting of application at Post office or for water It is to have the place thrown open for their stock to forage on free & pay no rent or taxes The revenue derived from this place by me have a lease is as follows

Dom. Government for rent 4d per acre	$25.40
Status Labour taxes	8.00
School "	20.00
Total	$53.40

I agree to allow the Public to go through the place as long as they close the gates after them but if they are determined to leave the gates open after them & give me trouble in that line I will lock them & ask you to protect me from those careless people this is as fair as I can do as I said in another part of this letter the locks is of the gates for sometime & the public has been using the place for going through since spring but when the ground freezes up & winter sets in the roads will be good on the road allowances I want to be allowed to close gates them for people will be careless & leave them open & think they have no right to shut them

Re 644.326 Cleland
correspondence with
Plan 29.22.1 W 5

Sir,

Mr Cleland has to day shewn me Your letter to himself of June 10, at same time stating me that he agreed to Your requirements and would leave a road open to the public through this land. This settles the question. Otherwise I would point out, that the objections to it being closed are frivolous, as without a certain amount of grading or conveying this Section is not traversible. That a passable road can be made on the regular road allowance at nearly the same cost as a road through this Section. But as to the matter of being charged with neglect in the conducting of the business of the Post Office I am at once up in arms as every thing possible is done to maintain its efficiency. Every notice You have sent me has been so displayed, that it was impossible for any one coming for mail matter to fail to see them and any one who gives evidence to You that any notice of application for a lease, was not properly put up in the Post Office is stating what is not true, and I should feel obliged if You would kindly

If You would kindly give me their names.
The Homestead Inspector came to the Post Office a short time ago to see how the notices were posted, The first object that met his eye on entering was the file of notices
The Building, in which was the Post Office at the time of the posting of the notice of the lease, was unfortunately destroyed by fire, but the notices then were as visible as in the present one and on mentioning the matter to Mr. John G. Parker of Otterdail B.C., a few month ago, he told me he was prepared to give evidence not only that they were placed in such a position as to be seen by everybody but to my personally calling the attention of the Public to the fact of the notices being there. Mr Parker at that time was a Boarder in the house and had every opportunity of knowing what was going on
I have written to Mr Parker asking him if he will write to You the facts that came under his personal observation as to encouragement of Post Office and display of Notices

The Honorable The

Ottawa,

Sir,-

re Sec 29 - T'p 22, W 4th M.

I beg to enclose you herewith a letter from Mr John McInnes, Midnapore P.O. who desires to buy the above school lands by privat purchase and offers for them $10 per acre, being particularly desirous to get the section in question because that it adjoins his brother's lands. I have written him that I doubt whether any Government lands may be purchased by private sale but that I would ask you to be good enough to write him direct to Midnapore P.O. for that, as he says that the lands are to be offered at auction on the 10 th prox', the time is short. I will be pleased if you will be good enough, in any case to write him and if you can meet his wishes in any proper way I will be glad. He has, until very lately, resided in my riding and is a splendid fellow.

Sir,

I beg to enclose herewith the declaration of abandonment of Harris Quin for the W.F. 16-43-19, W.4.M. and Forest Campfield for the W.F. 20- in the same Township and Range.

As you will notice these men would like to intermix their respective homesteads for the reasons stated in the declarations. They both own deeded land and the intermixture of homesteads would give each of them a solid section block.

This is really a family matter, father and son-in-law, and they are very poor people who could not put themselves out considerably to raise the money necessary to pay the fees for the exchange.

For this reason I may have requested me to write, asking that under the circumstances I may be permitted to make the change proposed without payment of such fees.

Re your Return of the

ANSWER.

It would appear that this Entry by Boden was S.E. 30.10.29 W 4 mer. and there is a clerical error and that in each case it the statement was omitted that it was a clerical error. Cannot find record of the entry in any application register and the entry bears no number in the B.C. Register. Entry was apparently made in my Register from some book or record of the Land Agency at Victoria and the application dated 8th Jan. Currency Boden's entry for S.E. 30. 10. 29 was cancelled by the Agent in charge on the 8th Jan. 95. as appears from endorsation on the back of his file.

I've signed perhaps ignorantly the former entry allowing.

I do not think that the entry in Book no. 1 refers to this land, which bears no number — merely the date 3.8.93 — should be accepted as a valid entry but rather as a clerical error for which I am unable to account. If this were accepted the chances of Phillips succeeding to — should have been 3 to 1 only. I regret that it is impossible to give you more definite information.

Please return this form to the Secretary with your explanations.

Dear Sir

I would like you to inform me with regard to my claim under Section 2 of the act of June 27th 1890 granting pensions to soldiers who served 90 days in the war with Mexico and were honorably discharged therefrom. I am a native of Ireland & came from there to England 14 years ago this month & remained there with my family 3 years & then emigrated to this country. I served in the Mexican war for a period of 6 months & was honorably discharged at the City of Mexico on the 20th day of July 1848 as will appear from my discharge papers which I have in my possession. I would like to know if I am entitled to a pension under the above act & if so what steps I should take to obtain the same. I have written to the Pension Office at Washington but have received no reply. I am now 73 years of age & am in very poor circumstances & am dependent on my daughter for support. I have a married daughter living with me & her husband is unable to do anything for the support of the family owing to ill health. I have also a son living with me who is a cripple & unable to do anything for his support. I have no other means of support & am dependent entirely on my daughter for support. I would be very much obliged if you would kindly inform me as to my claim & oblige

Sir,

Referring to the statement you have made in support of your entry for the S.E., Section 32, Township 42, Range 27 West of the Fourth Meridian, I am to state that it does not appear that you have the means to erect the buildings required by the Act and Regulations to entitle you to patent, nor is it to date clear that you have at least forty acres of cultivated crop in which event the proceedings will be cancelled.

Enclosed herewith is a printed memorandum with certain extracts from Dominion Lands Act. Your attention is specially directed to sub-sections 4 and 5 of section 16 of the Act.

Secretary.

I have the honour to acknowledge the receipt of your letter dated the 27th March 1903, re the matter of the N.W. 10.41. 27. W. being reserved for timber purposes for the use of settlers in the vicinity, and to report that I visited the above land on the 11th inst. and found there to be about 80 acres of a Spruce and Tamarac swamp. The timber on the place being small, suitable only for fencing purposes. I would recommend that it be thrown open for entry, and that permits to cut timber on the land be granted. I believe the Homesteaders would protect the timber by not allowing any one to cut without a Permit.

JUL 22 1901
REGISTERED

Pekisko Alberta, June 21st, 1901.

I wish to know if I can obtain a homestead on following land, viz Township 16, S. E. 1/4 of Section 25, Range 4. I have been living here on said qr. sectn. since 1899, & have got house, stables, corrals, horse pasture &c on it, also abt. 20 acres broke for green feed for cattle. I am aware that this is an odd section I am applying for, but cannot think this will prevent my being able to homestead it. It was of course unsurveyed land when I settled on it, & at least 60 miles from any Railway. High R. crossing 35 miles away is the nearest point, Railway even more. Will write you at once any further particulars you may wish. for on hearing from you.

Yrs truly,

Sir:-

I have the honour to inform you that a communication was received from Mr. John Thorp, of Pekisko, on the 21st ultimo (a copy of which is enclosed) stating that he desired to homestead the S. E. 1/4 of 25 - 16 - 4, West of the 5th. Mr. thorp was forwarded a form of declaration regarding to be filled in with reference to improvements, residence, etc., which is herewith enclosed. He states therein that he erected his house in 1889 and has been in residence since that year excepting for six months from 1st December, 1898, to June, 1899; that there are stables, cow sheds, corrals, etc., erected at various times on the quarter in question; that he has 20 acres fenced and under cultivation,- this apparently is on another quarter, as he states the land on the quarter which he desires to homestead is too rocky too plough. Be good enough to say whether Mr Thorp is to be granted entry for this land.

Memorandum:-

The Agent at Battleford forwards here the application of Mr. James Wood to be allowed to purchase the N.½ of the N.W.¼ of 24 - 5 - 29 west 4th; the Agent recommends the sale on ratification Mr. Wood satisfying the Department that he is living upon the land he has acquired by Scrip. In his application Mr. Wood states that it is his intention to own and reside upon the S.E.¼ and S.½ of N.W.¼ of section 24. According to the records here there has been issued to Mr. Wood the N.E.¼ and S.½ of the N.W.¼(Re. 044303); it is probable that the applicant has made a clerical error.

The Agent filled for are clear in the records here, and there does not appear to be any reason why the land should not be sold to Mr. Wood at the current rate and upon the usual terms, the first instalment to be made by the 15th September.

I her to enclose herewith a petition relating to the settlement of one Therriault on the S. ½ 3-5-29 W 4t. M a stock water-reserve, and to add in further explanation that he has been seeking a location in this neighborhood for some time and that I have directed him to where he could obtain the same but he would take none unless they were in the immediate neighborhood of the village, on account of the education of his family. He called on me a short time ago and notified me that as others had obtained homesteads on water-reserves by submitting proof of the kind explaining the reasons why such settlers had obtained their entries for some water reserve, reasons which would not apply in this case, and pointing out that those who required the water privileges and also those who had applied to purchase the land and had the refused would surely make objections to his occupation of the land. If he is allowed to remain every water-reserve will be splotched in a very short time.

Your obedient servant.

Dear Sir,-

re Fred Tourigny and S. T. 1 of 28 - 5 - 29, West 4th.

This quarter section, as understood, has been reserved as a stock watering reserve. Our client, Fred Tourigny is therefore fearful as to his quarter and asks permission to homestead it. He states that certain are and his neighbours have petitions in favour of the homestead reaching him provided they get the land, but by some oversight he has left them with the proper description of the land. In support of his application our client says that there is no more open range in the vicinity and there are only about ten or twelve head of stock at large in the vicinity, and that they go more than ten miles during the whole summer of 1904. Will you kindly ask your proper officer of your Department to look into this matter and, if he finds the facts as stated by our client, permit Tourigny to make application for homestead entry? He has already built a small shack on the land and broken about thirteen acres.

Yours truly,

Short & Stuart

Sir,-

I beg to send you herewith a schedule of lands in your district which it is desired to set apart for public shooting purposes. Please make a careful note of this matter in all your records relating to these lands.

The Head Office files relating to the lands are being called for, and you will be further advised in the case of individual parcels if the file shows any other disposition of the land.

If, in any case, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation and checked up the attached list with your records. You should at the same time inform the Departmentwhether there are any lands in your district other than those mentioned in the enclosed schedule which according to your records are being reserved for public shooting purposes.

In reference to the lands in the schedule which are held under entry please note that no further applications are to be received from any person to cancel existing entries. Where notice has already been issued to any registered applicant for cancellation calling upon him to come forward and make entry the right so conferred is not withdrawn, provided it is exercised within the time specified in the notice. Generally speaking this reservation will not be held to take away or impair existing rights on the part of any person by virtue of an application actually made by him or of a notice actually issued to him by the Department prior to the date on which this reservation becomes effective.

Should any of the land now under other disposition become available by reason of the cancellation of the existing entry, etc., there being no applicant, you should refer here before disposing of the land, mentioning this letter.

I beg to draw your attention to the fact that I applied for letters patent on this quarter under Sects. 22. 23. of the Dom. Lands Act. as a discharged soldier. and not-re, the substitution of stock in lieu of breaking as I would gather from your letter.

Though I would like to say your Inspectors report as to this land being rolling with very little stone on it is very far from the truth.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispersed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1948, read as follows:

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if so requested to do so, but shall issue no certificate for entry for such land until the expiration of the other limit of the day on which the prior right of entry was considered, or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise as to such case by a Sub-Agent or any competent representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the land, or any homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been applied for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act" it is provided as follows:

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta southeast of the south boundary of Township 16 in the Dominion Lands system of survey unless such person satisfies to the Minister of the Interior that he or she is in permanent residence near and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

MEMORANDUM

Mr. Hume.

N.W.¼ 13-58-7-W. 4th M.

This is the cancelled homestead of ex-Captain Kenneth Flint Corbitt obtained illegally to be reserved for a time to permit of ex-Captain Corbitt exercising his right of soldier grant thereof if eligible.

For particulars kindly refer to Mr. Powell's memorandum of the 9th July last hereunder and the Deputy Minister's memorandum of the 21st July last, the latter of which reads as follows:

"This officer has served with
"Distinction, winning the M.C., and has
"personally brought the matter to attention.
"Unless he has been gazetted out of the
army, he could not obtain soldier grant
"entry upon this land, which opportunity
"might in fairness be afforded him. If
"he has received his discharge, land should
"probably be cancelled, but if there are no
"pressing applicants, it might be determined
"whether he has received discharge and
"action held in abeyance."

Accordingly Captain Corbitt was written to under date the 2nd September last. The letter was returned marked "Not Called for" and was re-mailed to General Delivery Edmonton. He has not since been heard from.

Please say if the quarter section is now to be made available.

Enquiry regarding Second homestead

from James Richard [illegible]

C46113

Dear Sir — Allow me to inquire from you if I am entitled to a Second homestead under the following circumstances:—

The Dominion Entry for my first homestead was made on May 5th 1910, on the strength of a letter from Ingram, the Attorney at Little Hearts was issued and bears date Sept 5th 1910 the recommendation of nine years residence. It is evident that the Certificate should have been issued sooner, inasmuch as the conditions of mine were then complied with, but ill health on my part caused delay in Personal attendance in the Land Office. No of Certificate 1280. Entry for

At the time of my first Entry, Second homesteads were obtainable, if desired, on completion of duties required for first homestead, and will you please inform me if I am still entitled to same? An adjoining quarter section is being rapidly covered with thistles and if so, it will be wise to acquire the land in order to exterminate them for the protection of my farm, as such the seeds are being drifted by wind.

Yours Sincerely
James Richardson.

Sir,

I have the honour to acknowledge receipt of your letter dated 21st October.

Permit me to say that the information therein contained is incorrect ins so far that you assert that Robert Watson is not 21 as he arrived at the age of 21 years on the 23rd August last. If evidence of this is required may I ask to be informed what will be necessary? In to the style and title of Watson this also is correct by reason of the death of his father early in the year which changed him from Robert Watson junior to Robert Watson. The former is now incorrect the latter correct. Will you accept the amendment if the words "formerly Robert Watson junior" are inserted?

With regard to your letter as a whole I desire to point out that I do not prepare and issue executed deeds made by persons which purport to be made by those of me. On behalf of the witness to the deed who says to Watson's age I did to say he is [illegible] of the Appellate Bank in this Town and does not appear to take affidavits.

Sir,

Replying to your letter of the 26th ultimo in which you ask that the entries of [illegible] for the S.W.¼ Sec. 1, Tp. 35, Rge. 4, for the S. E.¼ Sec. 5, Tp. 35, Rge. 4, and yourself for the N.E. ¼ Sec. 25, Tp. 35, Rge. 4, West of the 4th Meridian, may be exchanged for three quarter sections of Section 32 in the same Township, and that the three entry fees be transferred to the new entries, for the reason that the water on the present homesteads is alkaline. I am directed to say that the matter has been submitted to the Commissioner of Dominion Lands, who has now instructed that your brother, your brother and yourself may be allowed to abandon your present homesteads and take up others, and that you will be given credit on the new homesteads for the fees already paid. The Agent of Dominion Lands at Calgary is being instructed to that effect. With respect to Section 32 in the same Township, on which you desire to take up the new homesteads, I may say that the N. E.¼ of the section stands as a homestead, but that the other three quarters are clear according to the books here. The Agent has been instructed to communicate with you and furnish you with the necessary forms of abandonment of the present homesteads and for applications for the new homesteads, and he will advise you whether the remaining three quarter sections of Section 32 are available for that purpose.

With respect to your question as to whether, if a Canadian Pacific Railway Town Lot in Cochrane are thereon, you would, by living in Cochrane, but in homestead, fulfil the homestead duties. I am d

Dear Sir:-

Kindly advise at your earliest convenience what the rule is when a party has erected buildings on Dominion Lands and has had them on same for years and when the said lands are Homesteaded by another party. In this case the owner of the buildings who of course was only a squatter got not notice of this entry for homestead by the second part and had he known it would have purchased. Is there any rule about the ownership of these buildings? Has the original owner of the buildings any rights in the matter?. If you have any regulations bearing on this I would be glad to have a copy for future use.

Re 43-22-2-4.

Dear Sir,

Your letter of Oct 20th 1927 reached me exactly four days ago. It came mail from Medicine Hat. Your letter was forwarded to Wilkie and brought out by neighbours probably a few months ago and was accidently found by them the other day among some old letters they were sorting out. This last year was a good crop year but I had no crop in; in fact I have only put in two crops since I have been up here in period of 5 years, and those two years were in 1926 and 1927 and the crops were not worth threshing. England Bros river flat makes the chances of getting crop less likely for these river flats are very quicky and miss one has

irrigation is no good putting in crops
I started here in 1907 with stock in the winter
of 1920-1921 I had about 150 horses, there being
so little range left on account of the farmers.
I borrowed heavily from the bank and
bought feed for the horses by the car-load.
Price of horses were drastically reduced & I had
to turn the rest of the bunch about 100 head
into the bank, which left me nothing to
start with. Since then we have milked a few
cows, and I have gone out and made
wages when I could, to enable me & my family
and put up Russian thistles for the winter
for the few head of stock we have got.
Last year was the first year I could put up
any hay to a good number of years, but
not 1/2 loads. It has never been my intention
to evade my indebtedness, & am sorry to have
not been able to pay this amount due.
We have had to economize and figure
very close to keep going at the present time
I am in a position to do so, & hope will
permit what I can, & can address any
further communications to me to Medicine

I am yours truly [illegible]

Dear Sir:- re : N.E.¼-22-12-8-W.4th, 122.75 acres.
C. L. Sivell. Dominion & Provincial liens.

This land is held as security for the undermentioned advances made to the above party by the Dominion and Provincial Governments:-

Dominion:	Fodder & Relief Principal		$61.27

Seed Grain interest to Aug.31/29				159.66
Relief interest to Aug.31/29				190.85
				$968.16

Owing to drought conditions debtor found himself unable to satisfactorily farm this property, which is situated on a river flat and abandoned same with the result that it has now been offered for sale by the Department of Municipal Affairs under the provisions

J. Fream, Esq.,
Nov.25-29
D-ID-93-S-89.

of the Tax Recovery Act. The taxing authorities advise they have now received an offer of purchase in a sum of $150.00, which is recommended by the Department's Inspector who describes the land as being very poor.

The taxing authorities advise they have a claim for taxes outstanding in an amount of $193.89 with additional charge for costs in a sum of $30.53, and explain the reason for this last charge being so high is because the property has been put up for sale several times without any offers being received. They have therefore now requested an adjustment of the liens in order that they may be in a position to take advantage of the offer now received.

Since the sale price is insufficient to satisfy the Crown claims I would recommend that after first deducting costs the balance of the proceeds be distributed on a pro rata basis between the following:-

Taxes		
Dominion liens	$193.89	
Provincial Seed liens	105.11	
" Joint Relief liens	464.26	
	503.90	$1,267.16

which will result in an apportionment of the total sale price as follows:-

Costs		
Taxes	$ 30.53	
Dominion liens	18.28	
Provincial Seed liens	9.91	
" Joint Relief liens	43.77	
	47.51	$ 150.00

I would further recommend that the amount apportioned to the Dominion liens receive preference after costs have been taken care of, and that when the sum of $9.91 is received by the Department of the Interior all their charges be removed from the N.E.¼-22-12-8-W.4th. Similarly that if and when the sums apportioned to the Provincial liens have been duly credited thereto these encumbrances also be removed from title to this property.

There is no further security for these advances other than the personal covenant of the debtor who is still resident in the district, and from whom we are endeavouring to secure an offer by way of settlement of these accounts. It would therefore be inadvisable to take any action in respect of these balances at the present time.

E.J.Fream, Esq.,
Nov.25/29.

The Dominion liens registered against this land, and which will require to be removed, are as follows:-

Re: Account of Charles L. Sivell
N.E. 22-12-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $61.27 were advanced to Charles L. Sivell on the security of the above mentioned land. A payment of $9.91 was received in 1930 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 61.27	$ 139.60	$ 200.87

Patent was issued in the name of Charles L. Sivell for the N.E. 22-12-8-W4 on the 6th of October 1904 and later became subject to the 1915 liens.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Department of Municipal Affairs.

Order in Council P.C. #114/698 dated the 31st of March 1930 authorized that the N.E. 22-12-8-W4 be released as security for the liens on the payment of $9.91 and the balance of the indebtedness retained against the lienee under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the liens are no longer registered and there is no further security, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

The undersigned member of the Seed Grain Advisory

the settlement outlined therein and does hereby

That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Sir,

I beg to acknowledge the receipt of the declaration you have executed in defence of your entry for the W½ of Section 10, Township 15, Range 23 west of fourth Meridian, and in reply I am to say that in view of the extra rigorous winter conditions that have prevailed over a large portion of the western provinces during the winter and the difficulty to travel and lack of fuel resulting therefrom, it has been decided to hold over the cancellation proceedings until the 1st May, 1907.

It will be necessary for you to satisfy the Agent at Lethbridge by that date that you are in residence on the land in a habitable house and complying with the regulations, in which event the proceedings will be abandoned, otherwise your entry may be cancelled without any further notice.

Sir - Re - Meehill Creek S.W. 18-29-22 W 4th

It would seem that the patent of the above quarter section did not reserve the bed of Meehill Creek beyond the implied reservation under the Irrigation Act as the Registrar at Calgary who issued title to the Company covering the full right of way and including the old bed of the creek.

We enclose herewith duplicate certificate of title 26 D 121 in favour of the Crown covering 2.90 acres required for creek diversion. We do not, however, require any land to be patented to the Company in this quarter section.

Messrs. Ewart, Scott, Kelley and Kelley, Barristers, have forwarded to the Department duplicate certificate of title 26 D 111 for 2.90 acres required for creek diversion.

The certificate is made out in favour of the Province of Alberta, which is evidently incorrect as the area mentioned should be revested in the Crown.

The duplicate certificate of title should, therefore, be returned for correction.

Please return file to me after taking action.

MEMO.- Mr. Tarriff,

An application for a grazing lease of Gelt Island, being part of Section 7 - Tp.13 - Rge.6 West of 3rd, raises the question as to whether the C.P.R. Company is entitled to Islands in rivers.

The Company accepted this Section some years ago and on enquiry July 4th.,1901 - 6466?7, as to how it stood were informed, that, the only part available was that lying West of the River, 10..0 acres, the part lying East and North of the River having been patented. The reason why the Island was not then held to be available for the Company was I understand a ruling made shortly before by the Minister to Mr. Cory, who was then handling the C.P.R. patents, but which was not put in writing.

I am informed that the Minister stated to Mr. Cory that no islands in rivers were to be patented to the C.P.R. Company and I would be glad to have a ruling on the subject on file for future guidance.

Do not write above this line. Address your reply to "The Secretary, Department of the Interior, Ottawa" M.B.M.

Ottawa, 7th August, 1902.

Memorandum.

Mr. H. H. Ross applies to purchase or lease the Galt Island the greater portion of which is situated in the N. W. ¼ of 7--13--6, W. 4th, and states that his object in desiring to secure the land is to put a house on it to be used by himself in connection with trips made by him up and down the river; also that the island is of no use to the general public, and that its surface is largely covered with sand and cactus bushes.

The whole of this section is marked accepted by the C. P. R. Co., but you ruled (file 417732 T.& M.) "No "Island to be patented to any Railway Company."

The E. ½ of the section is patented as a coal landsale to The Sask. Coal Mining & Transportation Company, and the N. W. ¼ north of the river as a coal land sale to Geo. Milliard.

A lease for grazing purpose for a term of 21 years was ~~granted~~ in July last to Mr. Alfred Avery, and was sent to him for signature on the 28th of the same month.

This land, which is shown on the sketch hereunder contains an area of 79 acres.

Commissioner of Dominion Lands.

PLEASE ADVISE W. W.

Dear Mr. Roche:-

I am desirous of purchasing that part of Section 7-14-5 west of 4th. Meridian in the Province of Alberta being a fractional tract I should judge of around ten acres known as Salt Island. My reason for asking this favor of you is due to the fact that I am interested in the south half of Section 12-14-6 with which runs to the water's edge of the South Saskatchewan it being narrow at this point making Salt Island with very little effort easily to approach. In conversation with the holder of the lease who is not occupying or making any use of same I find that I can make satisfactor arrangements him.

I would therefore appreciate your prompt reply stating if at all available and if so what price you might want. Owing to there being no means at this time of approach I see no direct advantage it might be to any one save and except parties interested in adjacent property.

Thanking you in advance for the information as well as any favor I am,

Sir.

I find that I have made a mistake in the land which I have made entry for. I had intended to take entry for the S.E. 1/4 of Sect. 34 Tp.58,Rge,21,W.4th. M. but on account of the want of stakes which have evidently been burned I made an error and took up the wrong 1/4. I now beg that my entry may be changed from the S.W.1/4 Sec.34 Tp.58 Rge.21 W.4 To the S.E.1/4- 34-58 .21 W.4th. M.and that the fee of $10.00 paid by me may be applied on this land. If I get this change it is my intention to apply to purchase the 71 acres of the N.E.1/4 of Sect. 27 in the same Township if the same is open for purchasing. Will you kindly send the decision to Mr. Adamson Dom. L.S.D.L. here .

Memorandum:-

The Forester (vent refers here the application of John A. Johnson to homestead and purchase the E. ½ of 32 - 48 - 21 W. 4th, containing 320 acres, the balance being lake.

The land is clear here, the application dated prior to the 1st instant; but the granting of this request will give Mr. Johnson a large water frontage.

I see by this week's application to homestead the most easterly 160 acres, that he is a Norwegian from Minnedosa, & in fully, are under the circumstances, (as if the Agent knows of no objection, I think the request might be granted, the issue to be 80 acres, and the first instalment to be paid by the 1st October.

If, however, you do not consent in this, Mr. Johnson could be granted, now, the S.E. (80 acres) and the N.E., making 160 acres.
